***Tuition is due June 1st. If we have not received your first tuition payment by June 15th, your child will be placed on the waiting list.**

Abbott Nursery School Open Enrollment 2013 - 2014

Open enrollment for Fall 2013 begins February 11, 2013. Please review the following class options, and indicate a first and second choice on the registration form on back:

- * Tuesday-Thursday 9:00 - 11:30 a.m. (Child must be three by November 1)
- * Monday-Wednesday-Friday 9:00 - 11:30 a.m. (Child must be three by November 1)
- * Monday-Thursday 12:30 - 3:00 p.m. (Child must be four by November 1)

To help make your class decision easier, please refer to the list below. If you have any questions, please don't hesitate to contact Vicki Belloli at (517)402-6622.

Tuesday-Thursday a.m. (T-TH) This class is typically a child's first structured group experience. Most children move from our T-Th class to M-W-F or M-Th the following year. Children enrolled in our T-Th class acquire and refine the necessary social and classroom skills that provide a foundation for learning. We use a thematic curriculum that focuses on developmentally appropriate activities.

Monday-Wednesday-Friday a.m. (M-W-F) Our M-W-F class is a unique opportunity for your child. This class is comprised of a mixture of ages. Children are 3, 4 and occasionally 5. We have both first-time students and returning preschoolers. This diversity allows us to provide peer modeling, varying developmental levels, and a wider range of activities. Our curriculum is theme-based and provides an array of developmentally appropriate activities. These students may be ready for the afternoon program or may move to kindergarten the following fall.

Monday-Thursday p.m. (M-Th) Our afternoon class is a great place for our oldest students. A preschooler attending the afternoon class attends four consecutive days each week. This allows for continuity to our curriculum and themes. We can expand and develop material across all areas. This age group experiences a wide range of developmentally appropriate readiness activities. All children work on letter books, early writing (write stories) and basic math skills (graphing, sorting, counting, sequencing).

Please do not hesitate to approach a teacher if you have any questions, concerns or need additional forms (one child per form). The registration form must be returned as soon as possible, accompanied by a **non-refundable \$125.00 registration fee** to hold your child's spot. Checks should be made payable to Abbott Nursery School. Classes will fill VERY quickly. We ask that you mail them to Vicki Belloli. You will be notified of your child's placement by E-mail.

In an effort to finalize our class list as early as possible, the first tuition payment is DUE June 1st. Please read the tuition section of the Parent Handbook for tuition options. If tuition is not received by June 15th, your child will be placed on the waiting list. Parents with children on the wait list will then be notified of available openings.
