

# Kindergarten Readiness Checklist

by Peggy Gisler, Ed.S. and Marge Eberts, Ed.S.

While there's no perfect formula that determines when children are truly ready for kindergarten, you can use this checklist to see how well your child is doing in acquiring the skills found on most kindergarten checklists.

Check the skills your child has mastered. Then recheck every month to see what additional skills your child can accomplish easily. Try the accompanying activities to work with your child on each skill.

Young children change so fast -- if they can't do something this week, they may be able to do it a few weeks later.
